***JazzCo* is a great 6-piece band**, playing well-known tunes from George Gershwin to Miles Davis, from Duke Ellington to Frank Zappa, plus originals in styles of Swing, Bebop, Blues and Latin. This is an energetic band with fine musicianship, fun, and a 'good time' feel. The line-up is: Saxes: Richard Burton (Alto) and Patrick West (Tenor), Keyboards (Joe McGinley), Guitar (Frank Cairns), Bass (Cammy Maxwell), Drums (Les Jones).
